***I agree to take part and accept the Participation, Payment and Cancellation conditions for the 01-06 December 2014 Movement Awareness & Forsythe Improvisation Workshop with Tamas Moricz***

*Participants of the Workshop are expected to be physically and mentally fit.  
They enlist of their own free will and should be fully insured.  
Tamas Moricz can not be held responsible for any accidents, injuries to you or your fellow participants, or any loss of valuables during the workshop.*

*Participating in the Workshop will allow you to make personal use of the resulting knowledge. It does not qualify you to charge money or teach it afterwards in any professional setting, either as Movement Awareness and/or Forsythe Improvisation.*

*This Registration Form acts as a binding contract after signature. By signing you agree to take part and accept the following conditions. A participant's place at the Workshop is assured after a signed Registration is returned and the full fee for the course is received.*

*The course with Pre-Registration, up to 14 days before the starting date, is 250 Euros. The regular fee after the pre-registration period is 290 Euros. As a support to those in need, I offer the possibility to pay the fee later or in two parts. This is to be agreed upon in a written, binding request. ( By Pre-Registering and agreeing to these conditions, you are still eligible for the pre-registration fee, even if you request late payment. )*

*In case of a cancellation, up to 14 days prior to starting date, you will be fully refunded. To avoid cancellations after that, there is a fee of 80 Euros, unless you are able to secure your own replacement or reach a separate agreement with Tamas Moricz.*

*Any recordings of the workshop are not to be distributed in either whole or parts without the prior consent of Tamas Moricz.*

*I have read, understood and agree to all the above-mentioned conditions.*
